

RALLY FOR HOMEOWNERSHIP

TUESDAY, SEPTEMBER 25, 2012

WHAT:

HOMEOWNERSHIP IS UNDER ATTACK!

Local economies have suffered from the slowdown in home construction, and home buyers and owners face difficulties getting access to affordable mortgage loans and avoiding foreclosure in today's distressed environment. What's worse, policymakers are considering scaling back the mortgage interest deduction, imposing more requirements on borrowers and letting the foreclosure crisis deepen.

RALLY WITH US AND TELL YOUR ELECTED OFFICIALS:

- ✓ Homeownership is important to families and communities.
- ✓ Credit-worthy families and small businesses need mortgages and loans.
- ✓ We need to protect the mortgage interest deduction.
- ✓ We need policies that will help resolve the foreclosure crisis.
