

HOME SHOW POINTS SYSTEM

As many of you will recall, Home Show points which are used to determine booth space location for the Home Show are now accrued during a three year period. Every three years, these points return to zero and another accrual period begins. The current period of accrual started March 1, 2012 and goes through February 28, 2015. If you have questions about Home Show points, please call Charlyce Ruth at 881-3711.
